Summary: This one is from visser 3's POV. It's depressing and a bit creepy so be warned.

Only a matter of time

> <meta name="Generator"> Only a matter of time **

Only a matter of time

**

See them laughing there

In ignorance so sweet

Blissfully unaware

Of what horrid fate they'll meet

Soon they will see

See, shrieking in fear

Everything destroyed

Everything held dear

While helpless they lie

In the cages of the mind

They'll soon come to realize

Escape, they will not find

So just you wait

In innocence sublime

We'll have you eventually

It's only a matter of time

End
file.
